

COMPREHENSIVE DENTAL CARE FOR THE ENTIRE FAMILY

Everyone deserves access to high quality health care – including you. At Royal Oak Dental Group, we believe that insurance coverage (or a lack thereof) should never dictate a person's access to dental care. We want to be sure that finances never stand in the way of a person's oral health. We have created our very own Royal Oak Dental Wellness Plan. No insurance? No problem!

It works like this...for one yearly flat fee, you will receive your standard preventive checkups, cleanings and x-rays. You will also receive sizeable discounts on other dental services that we offer. There is even a program for those that require periodontal therapy. These programs are similar to traditional dental insurance, but it's BETTER! Unlike dental insurance, there are NO COPAYS, NO LIMITS and NO MAXIMUMS! You will not have to worry about deductibles or waiting periods! Upon enrollment you will have immediate access to great dental care that will keep your smile healthy throughout the year.

Pick a plan that works best for you and your family. For more information or to enroll, contact a Patient Care Coordinator at any one of our convenient locations. Our goal is to make sure your oral health, appearance and confidence are preserved for a lifetime. We never want finances to stand in the way of that!
